## GOVERNMENT FLOWDOWN CLAUSES TO PURCHASE ORDER TERMS AND CONDITIONS Applicable to WilliamsRDM, Inc. Purchase Orders

GOVERNMENT FLOWDOWN CLAUSES. The following clauses are incorporated by reference from the Federal Acquisition Regulations (FAR) and Department of Defense Supplement (DFARS) and apply to the extent indicated. Unless otherwise provided, the clauses are those in effect as of the date of The WilliamsRDM Purchase Order. Upon request, WilliamsRDM shall make available to the Seller (i) the full text of any such clause herein (including its date), and (ii) the particulars of any clause specified under the prime contract and/or higher-tier subcontract as applicable having a bearing upon any specific order.

At no time shall privity of contract exist between the Seller and the United States Government (or a higher-tier contractor) with regard to the **WilliamsRDM** Purchase Order. Accordingly, all such clauses shall, with respect to the rights, duties, and obligations of the parties hereto, be interpreted and construed in such a manner as to recognize and give effect to: (i) the contractual relationship between **WilliamsRDM** and the Seller under the **WilliamsRDM** Purchase Order, (ii) The rights of the higher-tier subcontractor, if applicable, with respect thereto under any higher-tier order, and (iii) the rights of the Government with respect thereto under the prime contract from which such clauses are derived. Where rights, duties, and obligations are expressed as applying to the "Government" or "Contracting Officer," they shall generally apply by reason of the flow-down to WPI; and where expressed as applying to the "Contractor" or "Subcontractor," they shall generally apply by reason of the flow-down to the Seller. As an exception to such generalizations, some clause preambles explicitly address the appropriate relationships (e.g., FAR 52.215-2, Audit--Negotiations), as such, the definition of the parties thereto is to be accorded precedence.

The DFARS contract clauses identified below: (i) are applicable only if the **WilliamsRDM** Purchase Order results from a prime contract or higher-tier subcontract with **WilliamsRDM** that originates from a Department of Defense contracting activity, (ii) shall supersede any FAR contract clauses of the same subject matter to any extent inconsistent therewith, and (iii) are subject to any specific Article otherwise addressed in the front of this form.
